

## **ANNUAL REPORT-2010-11**

### **Introduction:**

Respected Chief Guest, Shri. Padmakar Valvi, Hon. Minister for sports and youth welfare, Govt. of Maharashtra, Chief Guest Mr. Jugal K. Tandon , CEO-Corporate sustainability, JSW, Guest of honour Mr. Haresh Sanghvi, Chairman of Alumni committee and OEM supplier to leading industries like Tata Motors, Rev. Fr. F. Diniz, Local Superior, Rev. Fr. Victor Rebello, Director, Mr.P.C.Debnath, Financial Controller, Dr. Srijia Unnikrishnan, Principal CRCE, respected invitees, my colleagues, and dear students,

I, feel extremely proud to present the annual report of the Polytechnic, I.T.C . I.T.T. and Community Polytechnic for the year 2010-2011.

At this point , I take this opportunity to pay our profound respect to our cherished founder Rev. Fr. C. Rodrigues, whose dreams , visions and ideals are deeply imbedded in our institutions and whose footsteps we are still following.

The society of St. Francis Xavier is a multifaceted trust well equipped to cater to educational and social needs by judiciously combining the resources at their disposal. The society has technical education complexes at various locations like Mumbai, Navi Mumbai, Goa, New Delhi, Pune and Ambarnath. There are around 25000 students pursuing education in various levels at various campus of Fr. Agnel. There are around 2500 employees working with Fr. Agnel's all over India.

Fr. Agnel Technical education Complex at Bandra houses school at pre primary, primary, secondary senior secondary and Higher secondary levels, ITC and trade courses, Polytechnic and engineering college with more than 6000 students enrolled for various programs. There are over 400 staff employed in this complex.

### **Report of ATC:**

Agnel Technical college (ATC) with Diploma in Production Engg. was established in the year 1969 in our Bandra Complex. The college was granted academic autonomy in the year 1987 by gov. of Maharashtra in appreciation of its all round excellence. Under autonomy the college was given the freedom to devise its own curriculum, conduct its own examinations and award its own certificate approved by DTE.

With the state of the art infrastructure and a highly skilled and dedicated faculty and supporting staff, the college has been providing technical expertise to its students. The syllabus is designed to train the students in supervisory and middle management level in areas of production, design, marketing , planning etc. The curriculum is enriched with latest trends in technology like CAD/CAM, CNC machines , CIM, Mechatronics etc.

Most of the final year students passed out opted for degree programs. Many students got employment through campus interviews in various reputed industries like L&T, Mahindra and Mahindra, Aicher Damm etc. Industrial visits were arranged for students. All the training, placement and industrial visits were arranged by our Training and placement officer in charge Mr. R.S.Gondhalekar.

On the extra curricular co curricular front a lot of activities were arranged this year. The events were well managed by cultural secretaries Miss Prasannata Sawant and Miss Neoskia Gonsalves.

A number of indoor games were arranged in the college campus during this period.

The college arranged a cleanness drive and scrap collection and the amount so received was donated to Balbhavan.

The Annual sports meet was arranged at Bhavan's College ground on 14<sup>th</sup> and 15<sup>th</sup> of January 2011. Our students and staff actively participated in the sports events. The events were well managed by the sports secretaries Mr. Viplaw Dahidhule, Mr. Vishal Gajera and others.

A mini marathon race for staff and students were arranged on 29<sup>th</sup> January 2011. The theme was 'India is One' Large number of students and the staff members of Polytechnic and ITC participated in the events.

Talent day and Alumni day were celebrated on 29<sup>th</sup> January 2011.

All the extra curricular and co curricular activities for the year 2010-2011 were being organized and conducted under the able guidance of the students council chairman **Prof. Sunil R Anande** with the active involvement of the students council.

This year our Students Council was as follows:

Mr. Niraj Shetty

General Secretary

Mr. Gaurav Parab

Deputy General Secretary

## **Report of ITC & ITT:**

(Agnel Industrial Technical College & Agnel Institute of technical Training):

Fr. Agnel ITC which was established in the year 1961 by late Rev. Fr. C. Rodrigues is a premier institute which is offering vocational courses in the trades of Draughtsman (Mechanical), Fitter, Electrician and Mechanic (Motor Vehicle).

The institute has experienced teaching faculty well equipped workshops and successfully training around 350 students every year.

The academic year started on 9<sup>th</sup> August, 2010 with inaugural function attended by Rev. Fr. Diniz, Mr. Debnath, Fr. Victor Rebello, Mr. Narendra Joshi, Principal.

This year ITC results was 96% four student's appeared for state level skill competition held at Mumbai I.T.I. in their respective trades. Our ITT (Trade Course) students did well. The final exams result was 98%. Our student had factory visit to Air India, Santacruz, BEST Workshop, Wadala, Mapco Industry at Mahableshwar and many more. We had campus interviews for firms like Godrej, Indian Airlines and Thermostat, Vasai.

Most of our students have been absorbed in reputed firms. Last year 100% of our student secured jobs. This year too, we are expecting the same.

From Last year M/s Toyota Motors are successfully training our MMV students at their workshop. They have selected 18 of our students in their firm.

This year we imparted training in our campus to the boys of Chanakya Shipping Corporation in Electrical trade. We had a grand inaugural function on 5<sup>th</sup> September, 2010 for these students, attended by Rev. Fr. F. Diniz, Rev. Fr. Victor Rebello, Mr. Debnath, Mr. Narendra Joshi, College Principal.

We are also imparting campus training to deaf & dumb students of "Save the Children-India" institute, in Electrical, Carpentry and Plumbing trades, so that these boys will stand on their own feet to earn their living. We have done value addition to the existing course syllabus of various trades. Every student will get additional knowledge in basic computer knowledge, Microsoft office softwares and internet. They will be given special training on CNC programming. **Mr. Mushtaq Malgundkar** is managing this programme successfully.

Recently we have done a Tie-up with M/S. Allied Motors, Mumbai. Our Motor Mechanic students go to their workshop for practical training on Maruti Suzuki vehicles.

This year our Students Council was as follows:

Mr. Vijendra Pawar	Coordinator
Mr. Mukesh Chavan	Sports Secretary
Mr. Kaustubh & Mr. Pranab	Cultural Secretary
Mr. Fahad Bagwan	General Secretary

All Sports Final were conducted at Bhawan's College, ground on 10<sup>th</sup> , 11<sup>th</sup> & 12<sup>th</sup> January, 2011. Rev.Fr. Victor, Principal, Prof. N.M. Joshi, Mr. Sunderrajan & Mr. Mushtaq Malgundkar, Superintendent attended the finals and gave away prizes to the winners. Our ITC/ITT students had been for an Industrial Visit cum Picnic on 20<sup>th</sup> & 21<sup>st</sup> December, 2010 at Mahabaleshwar, Pachgani, and Pratapgad. It was organized by Superintendent Mr. Mushtaq Malgundkar, supported by Mr. Vijendra Pawar, Mr. Vasant Rajkuwar & Mr. Shekhar Akkal.

Four Quarterly tests were held as a part of our systematic training programme.

Today we are grateful to the parents and guidance of the trainees, staff members and last but not the least the trainees of Agnel Industrial Training Centre & Agnel Institute of Technical Training without their active co-operation this function would not have been a grand success.

#### **A brief annual report of Community development through Polytechnic.**

Fr. Agnel Community Polytechnic has been imparting Vocational Training to drop out, unemployed, below average, underprivileged urban & rural youths by establishing Extension Centers since 1983.

During the year 2010-2011 over 1500 youths in different vocational trades at various extension centers were trained. The centers are situated at Vasind (with JSW), Shahapur (with Archana Trust), Panvel (with Ambuja Cement), Daman (with Punj Sons), Murbad (with Navjeevan Trust), in Nirmal, (Vasai Taluka), Ghansoli (Navi Mumbai), Zidake (Bhiwandi Taluka), & Mumbra (with MESCO) are being trained.

More than 15000 school dropouts from rural & semi-urban areas in 30 different trades have been trained so far by us since 1983. **Mr. Jaywant Raut** is managing this programme successfully.

Sports day and Marathon for all vocational centers was organized in Ambernath on 14 & 15<sup>TH</sup> February 2011. The Annual day will be organized on 23<sup>rd</sup> of February at Kalyan.

We are also working with ASLG for a training and consultancy assignment in Essar Steel for ITW Signode. A welding training center and CNC training center is being planned with ASLG. The Labour welfare ministry of Maharashtra state has done tie up with us for taking technical education to nook and corners of Maharashtra. A project for vocational training at JSW plants at Ratnagiri and Nandyal is at the planning stage. A training course with Mahindra & Mahindra is scheduled in the coming months.

CII 4th Global Summit on Skills Development on 29-30 November 2010, Mumbai was attended by Fr Victor Rebello and Mr. Narendra Joshi. Fr Victor presented our model of Industry Institute tie ups for community development at NITTR-AICTE conference in Delhi. There was thought exchange with Pan IIT, ArKA and ARTI about technology transfer and mode of vocational training.

Today's annual day celebration "FESTEJO 2011" is being organized by the active participation of all students' council members of Polytechnic and ITC with the able guidance from the student's council chairmen **Mr. Sunil R Anande of Polytechnic and Mr. Mushtaq Malgundkar of I.T.C.**

With this I conclude the presentation of annual report of Agnel Polytechnic, Community Polytechnic and I.T.C / I.T.T. for the year 2010-11.

Thank You.

**Narendra M Joshi**  
**Principal**
